Director of Nursing

Director of Nursing- Education

Nevada Career Institute (NCI) is currently seeking a qualified Director of Nursing – Education for our Las Vegas Campus.

The candidates must have the qualifications listed below:

- Earned a master's degree in nursing from an accredited university.
- Be licensed to practice as a registered nurse in the state of Nevada
- Have a minimum of 5 years experience as a registered nurse and a minimum of 2 years teaching in an accredited program of nursing.
- Reside in Southern Nevada within a reasonable proximity of our campus.

Summary

The Director of Nursing- Education position reports directly to the Campus Director. This position is responsible for establishing and maintaining educational activities and standards consistent with regulatory, licensing and accrediting standards and NCI's mission and goals. The Director is accountable for the supervision of staff for Nursing Education. He or she is also responsible for overseeing and supporting activities within the nursing education program.

This position requires excellent management, oral, written and presentation skills. Must be self-motivated with a strong business sense. The candidate must have proven negotiation/facilitator skills in a dynamic environment. Must have the ability to influence others and gain necessary participation and support from co-workers and peers. Must have the ability to assess, plan, evaluate and take corrective action that is both appropriate and timely and the ability to interpret and support program success.
